## Engagement Review Report

November 26, 2013

To the Owner  
Bandy & Associates  
and the Peer Review Committee of the California Society of CPAs

I have reviewed selected accounting engagements of Bandy & Associates (the firm) issued with periods ending during the year ended May 31, 2013. My peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. My responsibility is to evaluate whether the engagements submitted for review were performed and reported on in conformity with applicable professional standards in all material respects. An Engagement Review does not include reviewing the firm's system of quality control and compliance therewith and, accordingly, I express no opinion or any form of assurance on that system. The nature, objectives, scope, limitations of, and the procedures performed in an Engagement Review are described in the standards at [www.aicpa.org/prsummary](http://www.aicpa.org/prsummary).

Based on my review, nothing came to my attention that caused me to believe that the engagements submitted for review by Bandy & Associates issued with periods ending during the year ended May 31, 2013, were not performed and reported on in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)*, or *fail*. Bandy & Associates has received a peer review rating of *pass*.
